Eagles Building

The Mayor and Council had discussion on building on East Vincennes Street. Mayor Wilkes explained that the Indiana Fire Marshal office is involved and the owner has no money to take care of the issue. The City has been discussing dollar amounts to tear the building down. After speaking to Carr-Thomas it looks to be around \$43,000 to \$48,000 to tear down. Mayor Wilkes explained there is a 90/10 grant available for the demolition of building. The Mayor and Council decided to pursue the grant before taking any action.
